

2020 GOVERNOR'S KEY VOLUNTEER AWARDS:

Assistance League of the Triangle Area is honored to have two of its members shine through all of the challenges that have emerged in 2020. The Governor's Awards are given annually to those volunteers who have made a significant impact improving the lives of our fellow North Carolina residents. Sue Kosinski was on the short list of nominees in the Governor's Key Volunteer Awards Senior category and Phyllis Sullivan took home the honor. Please thank them for their personal contributions and recognition and also representing ALTA in such a proud way. Congratulations Sue and Phyllis.
